 - The first goal is to determine and document the duties and responsibilities (D&Rs) of the BOD. The BOD will continue to use a BOD Organization Chart to document and organize the D&Rs.
 - The second goal is to build HOA Continuity Books for each BOD position. This will include the instruction and organization of all documented D&Rs. The timeline is to complete these books by the end of 2015.
- Each BOD discussed their D&Rs and the progress on their continuity books. The BOD Organization Chart was updated.
- All continued to work on their respective continuity book.
